Parent Support Programme & Community outreach

The school consistently strives to involve all stakeholders in its operations. One such initiative is our Community Outreach Programme, where we invite parents to act as Invigilators and Guest Lecturers, providing them with a firsthand experience of the school's working. Additionally, the school observed "Sadbhavna Saptah," a week-long charity drive, to commemorate the birth anniversary of Our Guiding Light – Former President of Rai Saheb Ch Pratap Singh Trust Dr. R S Bhatia. During this week, students, teachers, and staff reached out to the underprivileged and needy at orphanages, old age homes, slums and asylums, touching their lives with compassion and empathy, and gaining valuable life lessons through these interactions. The school invited parents on several occasions, like the Annual Sports Meet and Youth Parliament, as Guests of Honour.

Infrastructure

Keeping abreast of the dynamic nature of the pedagogical aids required in the IT-enabled classrooms, the school set up Interactive Flat Panel Displays (Smart Panels). The school also installed an elevator to cater to the needs of the differently abled, improving their accessibility.
