

PRATAP PUBLIC SCHOOL KARNAL

Circular No. - 01

29.03.2025

Dear Parents

With the declaration of results, the academic year 2024-25 has come full circle, and we are once again ready to embark on another exciting journey of learning and growth. This new session brings endless possibilities for all of us - students, teachers, and parents - to strive for excellence and achieve new milestones.

As key stakeholders in your child's education, your daily involvement plays a crucial role. Let's work together seamlessly to provide them with a transformative learning experience, both at school and at home.

At Pratap Public School, we prioritize the comfort and well-being of our students. Significant investments have been made in infrastructure to create a conducive learning environment that supports holistic development. Our fully air-conditioned campus ensures a comfortable atmosphere for students. Additionally, last year, we installed interactive flat panels - high-end devices with cutting-edge technology - in select senior classes. This year, we are pleased to extend this facility to one section in every grade.

I am also delighted to share the outstanding success of our In-School Competitive Exam Coaching Program for IIT-JEE and NEET. Last year, 10 out of 22 bright Pratapians achieved remarkable scores in JEE Main 2025. Building on this success, we are extending this special coaching to students of Classes 9 and 10 in the current academic session.

This year, we are committed to fostering independent learning among students and reducing their dependence on external tuitions. The zero period is specifically designed to help students clarify doubts and seek assistance in completing their homework. Evenings should be dedicated to revising daily lessons, reinforcing classroom learning. Let's say NO to tuitions and empower our children to trust their abilities and become confident and independent learners.

I would like to draw your attention to the following points:-

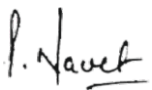

1. School timings from 2nd April will be 7:50 AM to 2:20 PM.
2. Punctuality is a hallmark of Pratapians - please ensure your ward reaches school on time and is dressed in the proper uniform.
3. Late coming will not be appreciated and students arriving late will be sent back home.

4. Parents are advised to download the Edusecure App to stay updated on school activities.
5. Kindly avoid picking up your child during school hours. In case of an emergency, please show the virtual card on the Edusecure App at the reception.
6. Ensure that all personal belongings of your child are labeled to facilitate their return if misplaced.
7. Encourage your child to pack only necessary books and notebooks for the day to keep their school bag light.
8. School buses will operate on regular routes. Interested students can inquire about the bus facility at the school office.
9. To familiarize yourself with the school rules and regulations, please review the School Almanac with your child.

No doubt, challenges will arise, but together, we can turn them into opportunities for growth and success. We welcome your feedback and suggestions to further enhance the learning experience.

Looking forward to your continued cooperation and support!

Yours sincerely

A handwritten signature in black ink, appearing to read 'P. Navet'.
